Below the bio, there is a 'Rate My Professors' section showing a rating of 4/5, a difficulty of 4/5, and 5 reviews. The pop-up also features a 'TOP TAGS' section with tags like 'Participation matters', 'Lots of homework', and 'Hilarious'.

Sprint Goal

- Clean up UI and handle edges cases
 - get remaining uIDs
- Find and display classes they will teach this year
- Comprehensive Testing
- Publish the extension
- ideas:

- add to shopping cart / schedule page
- add additional classes taught by professor
- clean up (scrape for remaining uuids, test all edge cases)
- last half of sprint: publish
- week 1 (before holiday) , week 2 (final push before week 10)

Note

- When picking tickets, focus on related tasks(i.e. If picking a ticket for scrapping, do all the scrapping tickets, caching tickets, etc...)
