

Sprint 4 Report

Actions to stop doing:

- waiting to fix scrum documents

Actions to start doing:

- having everyone turn on their camera during scrum stand ups

Actions to keep doing:

- Having reviewers for pr's
- Keeping code modular
- Use JIRA for project planning
- Add comments to functions
- Having backlog tickets for people to work on if they finish early
- Communicating on discord
- Helping each other when available

Work completed/not completed:

Completed

- Get rid of title (Professor Info) and edit RMP title (add "info" or remove "s" in "Rate My Professors")
- Add colors to RMP (would take again, difficulty, and rating)
- Don't display Phone as Not Listed if it isn't in the API
- move website and publication to more info section
- Scrape for more research topics for science professors on this url
- RMP edges cases
- Find sites to scrape classes from
- Scrape the sites for the classes taught
- Store data into JSON file
- Link JSON file with extension and display it on the More Info section
- Find out how to do React End to End Testing and do it
- For the user stories you were assigned add testing scenarios to the Test Plan and perform the tests
- Ensure the extension possesses the necessary permissions(in manifest.json)
- Submit the extension to the chrome web store(fee of \$5)

Not Completed

- Scrape for remaining professor uids

Work completion rate:

- 14/15 tickets: 93%
